S.S. 304 Railing Accessories

**PROJECT:**  
**INDIRA  
GANDHI  
INTERNATIONAL  
AIRPORT**

TERMINAL 2,  
NEW DELHI

Welcome to Closma Aluminium Glass Railing System. Closma is leading solution provider of Architectural Glass Railing Systems.

#### **VALUE FOR MONEY**

We want long term relationships with our customers. We understand the importance of value for money and will always look to price our products competitively.

#### **SALES FROM STOCK**

Our products are immediately available from stock. We will deliver anywhere in India with in a short number of days.

#### **SAFETY**

Safety is and always will be our number one priority. All our products are rigorously tested and sold with certification.

#### **TECHNICAL SUPPORT**

We offer our customers technical support whenever and wherever the need it, including site visits.

#### **INSTALLATION**

We select our products on the basis that not only are they aesthetically pleasing but just as importantly are quick easy and cost effective to install.
